Sept 24 1904

I surveyed a lot for the Home Light and Water Company beginning in the middle of the gravel road 235 1/2 feet West and 358 feet North of S 1/4 NW 1/4 23-7-5 var. 2° 45' thence West 100 feet South 100 feet East 100 feet North 100 feet to the beginning. Said lot is the location of the Stand pipe for water works.

Feb 19 1926

Surveyed Part of Lots 55-56 Orig town Bloomfield  
By pt 165'-1" West of SW cor Lot 57 West 103'-11" North 60'  
East 103'-11" South to pt of Beg.  
Purpose of this survey was to determine the north line of the above described tract. As there is an overrun in this block the north & South distance was proportioned. The East cor was placed 165'-1" from W line of Franklin St. as the SE cor had been, as it seems, established the SW cor of the block blacksmith shop  
H. G. Schloot.  
Both Parties concerned signed petition for survey (see Request)
